The power of faith
in a conflicted world

Difference is a course for you to run that explores following Jesus in a complex and divided world, seeing transformation through everyday encounters.

Run the course.

Navigating a divided and complex world can be hard. We encounter this in our relationships, in our communities and in our wider systems and structures. Many of us long to make a difference, but often we don't know how to respond or where to start. This is why Archbishop Justin Welby has brought together leading practitioners and thinkers to create *Difference*, equipping you to cross divides, navigate disagreement and pursue a just and flourishing world.

Across five sessions, *Difference* teaches three habits that have the potential to transform everyday relationships:

Be
curi
ous

Be Curious. Listening to others' stories and seeing the world through their eyes.

Be Present. Showing up and sticking around, learning to encounter others with authenticity.

Reimagine: Finding hope and opportunity in the places where we long to see change.

This course is designed for both large and small groups, meeting online or in-person. It has been run in churches, home groups, prisons and pubs to help followers of Jesus find their part to play in God's story of restoration.
