

Lambeth Palace hosts a huge range of events every year. We have an in-house chef and catering team and rooms of various capacities.

Extensive refurbishment works are currently underway to the historic Blore Building at the heart of Lambeth Palace, with event spaces re-launching in late 2024. We continue to offer events at the [Lambeth Palace Library](#), our purpose-designed home for the Church of England's consolidated archives and a RIBA London 2022 Award winner.

We can accommodate receptions, meetings and dinners from as few as two people to as many as 80. When the Blore Building reopens our largest space will be available for events for up to 250 people.

Our friendly events team will be happy to help you. If you wish to make an enquiry or join our mailing list for future information on the re-launch of the refurbished spaces, please email hospitality@lambethpalace.org.uk or use the form below.

Our office will be closed for Easter between 28th April-1st April.
